All students are hereby informed about the rules and regulations regarding clearing backlog subjects as per the university guidelines.

### 1. Students Enrolled from Academic Year 2023–24 onwards (NEP Pattern):

- Students will be permitted a maximum of five (5) attempts to clear a backlog subject within three subsequent years after the regular examination of the particular subject.
- If a student fails to clear the backlog within the prescribed duration, the student will not be permitted to continue the programme.

### 2. Students Enrolled Before Academic Year 2023–24 (Non-NEP Pattern):

- All backlog subjects must be cleared on or before April 2027. After this deadline, students will not be allowed to continue the programme if the backlog remains uncleared.

### 3. Students with Backlog in Subjects with Revised Syllabus:

In case of revision in the syllabus of a subject:

- Students will be given a maximum of two (2) attempts to clear the backlog under the old syllabus.
- If the backlog is not cleared within these attempts, the student will be required to appear in the revised (new) subject offered in the programme and must clear it within a maximum of three (3) attempts.

**Note:** In the case of students who are close to reaching the maximum number of attempts as specified under Clause 1 prior to the revision and implementation of the new syllabus, the provisions of Clause 3 shall not be applicable to them.

All students are advised to take note of the above regulations and plan their examinations accordingly.
